

North Eastern California Association of School Psychologists

The NECASP Network

We keep our psychologists covered.

Our mission is to unite school psychologists throughout our diverse region to facilitate evidence-based practices, promote social-emotional-learning, and to advance advocacy efforts for our students, schools, and communities that we serve. We look forward to sharing our quarterly updates with you.

What are ways we could share hope with our students?

Design and connect with a positive self-future.

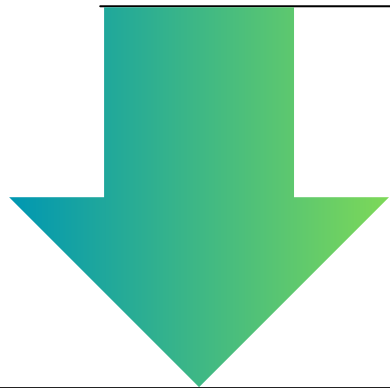

Develop goals that will lead them toward this better future.

Have the confidence and self-efficacy necessary to believe they can be successful.

Act with perseverance to create and follow the mental plans or road maps that guide hopeful thoughts.

We are always looking for passionate school psychologists to join our dedicated team!

Please, send us an email if you have any questions about membership, or want to join our leadership team!
